

The 11th CiNet International Conference

From Biological to General Artificial Intelligence:
Computational and Experimental Approaches
to Understanding and Modeling the Brain

OCT.5-7,2026

Center for Information and Neural Networks,
Osaka, Japan

(In-Person + Online)

Conference Chair

Robert Mok (CiNet / NICT)

Vice-Chair

Shinji Nishimoto
(The University of Osaka)

Conference Director

Shigeru Kitazawa (CiNet / NICT)

Organizer

National Institute of Information and Communications Technology (NICT)

Co-organizer

The University of Osaka

Program and registration details
